LOLAS

**WELCOME
TO RYANS:
THE R-PUBLIC
OF ALL!**

RYANS LOLA'S

THE LOOK OF RYANS LOLA'S IS ONE WE'VE WORKED ON A LOT: COMMON SPACES THAT INVITE YOU TO STAY FOR HOURS AND HOURS AND PRIVATE ROOMS THAT... "GRRRRR!" (YOU HAVE EYES LIKE CARTOONS WHEN THEY FELL IN LOVE AT FIRST SIGHT, AND WE KNOW IT).

But the top thing is that we have designed the outdoor spaces as part of the hotel itself, and now you don't know if you're inside or outside or what, so now you just want more? We knew it! We are on fire!

R-happenings: Ryans is not just a place, Ryans is everything that happens in the place. Rock&Ryans, Poolside Sessions, ArtWork shop, Flamingo Pool Party, ... are some of the names of the events we have prepared. What are they? What will happen? What mysteries will there be? The only thing we can say is that it will be big.
